THE PRESIDENT'S PAGE

Well this month's meeting was a bit different, we became part of a film shoot, as the Golden Oldies Moviemakers used our monthly meeting as a set for their next big production. I can't wait to see what the result will be. Our guest speaker Bryan Gunderson spoke about the 'Kapiti Youth Employment Foundation' which helps young people mostly living in areas with low employment opportunities to get an edge into the very competitive job market.

Alison Viskovic is looking at setting up a writer's group and a number of names were added to her information sheet for those who would be interested. Such a group fits in very well with the activities we have and I would recommend it to any of our members who might be thinking about writing as an additional interest. If you didn't sign on then contact Alison and help boost numbers.

The outing this month was a bus to Wellington where we had two separate visits. First was to the New Zealand Portrait Gallery located in Shed 11 just north of Queens Wharf. The exhibits are often changed to give different perspectives. One of the highlights this time was a collection of college students work all of a far better quality than anything I would ever been able to produce. The second stop was Te Papa. Sometimes you think 'been there done that- boring'. This wasn't. We had time, went our separate ways and were able to 'dig in' to displays of particular interest. The whole day was a worthwhile and enjoyable experience. There were seats to spare on the bus, so next bus trip think about coming along for the fun.

I was able to attend, for the first time the Computer Support Group. There were two motives the first as President, the second, I was having a problem with a power point presentation. The level of knowledge on multiple subjects was astounding, my problem was solved along with information on telephone scams and other issues. This is a valuable resource for our club to have.

That's all for now have a good time and see you all 3rd September when we will be inducting some new members.

Cheers – Don

The intention is that we get together to share things we are writing, in a small friendly group. You might be writing some memoirs, or stories for grandchildren, poems, a short script for the video group, short stories or 'flash fiction'. At the monthly meetings you can read some of your work for feedback, and we will have short fun activities to do during the session, or at home ready for the next session.

GOLDEN OLDIES MOVIEMAKERS INTEREST GROUP

Contact David Goggin, Phone 905 8505, Alan Farquhar, Phone 902 2690 or Alison Viskovic, Phone 905 7994.
We are well into production with our latest movie and may be ready for screening in October. This is the longest film we have undertaken and is a mixture of Drama, Humour, Music and Romance.

Alan wishes to thank you all very much for working in with him at the last meeting. Your co-operation in clapping, cheering, standing on command and singing was excellent. He is a happy chappy

Our fame is spreading. Recently, after being asked to show some of our movies we screened the Stink Bug and Bake-off films to the Waikanae Women's Probus Club. They have requested we return in the future.

We continue to welcome anybody who wishes to join us in acting, planning a project, writing a script, costuming and makeup and assisting during filming. It is not intended the group meet on a regular monthly basis but only when a script is available.
