THE PRESIDENT'S PAGE

Hello again everyone.

As the months are slipping by we are now looking ahead to August.

I was delighted with the turnout at our July meeting, our first one since March. It was great to have 86 people attending. Long may it continue. I think everybody enjoyed catching up with one another. It was good to finally induct three new members considering the time they had to wait and also good to have some new visitors.

The rain has certainly been fairly persistent, but I guess we can't complain knowing the time of the year but also with some other parts of New Zealand not getting as much as they would like.

We certainly have been delighted to move on with our lives, but what is happening in some other parts of the world and as close as Melbourne and Sydney, with the Covid 19 virus is pretty alarming and worrying. For people here who have family in other parts of the world it can be causing some concern.

So as we move through the second half of the year let's make the most of our opportunities in NZ and locally. It was amazing to see today how many people were visiting the ski fields like Cadrona. There were so many more than they normally have when they have tourists that they were delighted in those areas.

Enjoy our newsletter and the upcoming events and activities. *Joan*

GOLDEN OLDIES MOVIEMAKERS

Contacts: David Goggin Ph 905 8505, Alan Farquhar Ph 902 2690, Alison Viskovic Ph 905 7994

The group showed their latest movie "One Night in the Kapiti Museum" plus clips of past Club trips at the July meeting. Production has started on our next movie.

We continue to welcome folk who wished to join us in acting, writing a script, costuming, makeup and assisting during filming. It is not intended the group meet on a regular monthly basis but only when a script is available.

BOOK AND JIGSAW LIBRARY

At each meeting Gaynor and Art Bass set up tables laden with books and jigsaws for members to borrow. There is no checkout list to sign, it's just help yourself and no time limit for keeping the books and puzzles. You can donate to the collection but it would be appreciated that they be books printed in the last couple of years and also any large print books. Periodically Gaynor and Art clear out all the old ones.

It is requested that you make your selections before the meeting starts or during afternoon tea - not after the meeting as they are then very busy packing everything up.

A list of books available is attached to this Newsletter mailout.

Above is the link for our new website. We encourage you to click on the link and have a browse at the very professional production produced by our web sub-committee. We suggest you get familiar with its layout, content, looks and feel. You might well have some comments and perhaps ideas for additional content. We will always welcome your views. The site will be updated continually and we suggest you visit on a regularly basis. A very important purpose of the website is to attract new members and if you are talking to any interested folk please advise them to look at the website.

OUR NEWLY INDUCTED MEMBERS

Pat Fletcher, Margaret O'Connor and Ron Melville

Medical Emergency Plan

The committee is in the process of developing a plan to use in the event of a member suffering a medical event during one of our monthly meetings (hopefully we never need it). In the first instance we would like to develop a list of members who have attended a course on CPR and/or defibrillation in the recent past.

If you have completed one of these courses, or if you would be interested in attending one, please let us know. Contact either Bruce Scott (027 442 6448) or Cathy Mitchell (027 206 7831) or speak to one of us at the next meeting.

THE REBUS PHOTO

CALENDAR FOR 2021

Entries are now open for the 2021 Calendar competition. Here are the guidelines:

- Photos to be submitted in **jpeg** format to admin@rebus.nz
- Aspect Ratio 16:9 (not 4:3 as cropping to achieve 16:9 can eliminate photo from selection). See your Camera settings.
- Format to be Landscape **NOT** Portrait. (Horizontal width greater than height)
- They need to be reasonably high resolution for good reproduction.
- Photo subject to be an eye-catching scene found **only** in your Club's district.
- The photographer to be either a member - or member's spouse.
- Date photo taken to be between 15th Sept 2019 and 15th Sept 2020.
- Entries closing date is 15th Sept 2020 – **but feel free to send them in earlier please.**
- Judging will be by the Rebus Board with any member who may have entered a photo, not participating in the selection.
- In addition to the 12 photos selected, 12 highly commended miniatures will be published on the rear page.
- Member's Photos may be submitted directly to Rebus, but if a competition is being run by a Club internally, a maximum of 5 entries will be accepted from the Club after local judging.

It is anticipated that the price per Calendar will remain at \$10 with orders being sought later in the year.

Apart from their use in our homes, many members bought additional copies for family and overseas posting. (10 in one case).

So, if you have a flair for photography, please get out there and capture that priceless image - **and think about how many copies of the Calendar you will order**
